

JOIN the movement to pass on to the next generation AND your Friends:

Pristine Lakes, Adirondack Beauty, and a Vibrant Town and Village.

EDUCATE the next generation about what needs to be done to keep our **Lakes** and Towns healthy, unspoiled, and vital for generations to come.

ENCOURAGE our adult children to actively participate in the Ecology Initiatives that protect our lakes and beautify our towns.

GIFT a 'young **ADULT FAMILY MEMBER** or **FRIEND**' to **a one year membership to LPSA** so that they can learn more about what is being done, and what they can do to protect our lakes. 'Gift' them to be responsible *share holders* in the Lakes and Town/ Village Success.
